

Brixton BMX Club would like to take photographs or videos of club members during training sessions or at races to support members training and development and to use in online or printed publicity, social media and funding applications. In the majority of cases members will be wearing full face helmets and will not be easily identifiable.

In accordance with our child protection policy, we will not permit photographs, video or other images of young people to be taken without consent. If the child is under 16, consent must be obtained from a guardian.

Brixton BMX Club will take all steps to ensure that these images are used solely for the purposes for which they are intended. If you become aware that these images are being used inappropriately, please inform us immediately.

We would be grateful if members or their guardians would consent to the taking and usage of photos and videos for the purposes described above.
